MORAL

text by ian charles graves.

It's the beginning of the Adult Awards season now and Pirzite has been nominated for a few of these.

We have been nominated in Barcelona for Best Magazine, Best Photographer (Maria González), Best Video Artwork (Pirzite: PowerSlave) and Best Fetish Video (Pirzite: Love Me Deadly).

In Germany we are nominated for Best Magazine, Best photographer (Trevor Watson), Best Video Artwork (Pirzite: Women on Top).

Nominations are nice but the most important thing is not awards - it's keeping our readers happy. As we approach the first anniversary of new look Pirzite, it's time to look back and see what we have achieved and how we can improve over what we have done.

I have received a lot of input from readers over the year - mainly positive comments and also a few negative ones.

Most of the negative criticism regards the use of Black and White (or Toned) images. I hope you have noticed a decrease in the use of these images. We will continue to use toned imagery in the future but less of it.

Now it is the beginning of the season for the Film and Video Awards and Pirzite was nominated for a few of these.

In Germany we are nominated for Best Magazine, Best photographer (Trevor Watson), Best Video Artwork (Pirzite: Women on Top).

Nominations are nice but the most important thing is not awards - it's keeping our readers happy. As we approach the first anniversary of new look Pirzite, it's time to look back and see what we have achieved and how we can improve over what we have done.

Over the year I have received a lot of input from readers over the year - mainly positive comments and also a few negative ones.

The most negative comments concern the use of Black and White (or Toned) images. I hope you have noticed a decrease in the use of these images. We will continue to use toned imagery in the future but less of it.

The next year will be even better for Pirzite readers. January we'll see the release of 'Xtreme Desires', a brand new video - Pirzite Video Production will now be known as Pirzite Video Deluxe.

After twelve episodes of Frank Thring's slightly fetishistic vignettes, Pirzite goes into overdrive with a new concept, new locations and innovative creativity.

Tanya Hyde, Gurls of the London Fetish scene becomes the first female director in Pirzite's history! Tanya uses industrial and experimental imagery in this ninety-minute production, which was shot on location in London - the world centre of the fetish scene.

Pirzite Video Deluxe will be released bi-monthly as a totally different product, not vignettes and not a feature.

The video stars Monique Coyt in her first production since her departure as Helen Duval and she appears in three of the six sex scenes.

Don't forget to keep sending your suggestions to us - see you in 1999!

In Allemagne, nous avons été nommée pour le Prix du Meilleur Magazine, Meilleur Photographe (Trevor Watson), Meilleure Iconographie Vidéo (Pirzite: Women on Top).

Ces nominations sont très agréables mais le plus important, ce ne sont pas les prix mais bien évidemment la satisfaction de nos lecteurs. Comme nous approchons du premier anniversaire de ce Pirzite nouveau look, il est temps de regarder derrière soi, de voir où nous en sommes et de savoir comment améliorer encore ce qui est fait.

J'ai reçu une multitude de commentaires de nos lecteurs tout au long de l'année. Ils sont dans leur grande majorité positifs mais il y en a néanmoins un petit nombre qui sont négatifs.

La plupart des critiques négatives concernent l'utilisation d'images en Noir et Blanc (ou d'images tonées). J'espère que vous aurez remarqué une diminution de l'utilisation de ces images. Nous continuerons à utiliser des images d'images tonées dans l'avenir mais en moins grand nombre.

L'année prochaine sera encore bien meilleure pour les lecteurs de Pirzite. Le mois de Janvier verra la sortie d'une nouvelle marque vidéo 'Xtreme Desires' et Pirzite Video Production adoptera le nom de Pirzite Video Deluxe.

Après douze épisodes de vignettes légèrement érotiques de Frank Thring, Pirzite met les bouchées doubles avec un nouveau concept, de nouveaux extérieurs et une créativité innovatrice.

Tanya Hyde, le Gours de la scène Félicite londonienne, devient la première femme metteur en scène dans l'histoire de Pirzite! Tanya associe imagerie industrielle et expérimentale dans cette production de quatre-vingt-dix minutes, tournée en extérieur à Londres - le centre mondial de la scène félicite.

Pirzite Video Deluxe sortira deux fois par mois comme un produit complètement différent: ni vignettes ni long métrage.

C'est la première production de la star vidéo Monique Coyt depuis son lancement comme Helen Duval; elle interviendra dans trois des six scènes sexuelles.

N'oubliez pas de nous envoyer toutes vos suggestions. A bientôt, nous nous reverrons en 1999!

Vår i början på säsongen för utdelandet av vuxenmärklade och Pirzite har nominerats till några av dessa.

Barcelona har vi nominerats till bästa tidskrift, bästa fotograf (Maria González), bästa videofilm (Pirzite: PowerSlave) samt bästa fetischvideo (Pirzite: Love Me Deadly).

Tyskland har vi nominerats till bästa tidskrift, bästa fotograf (Trevor Watson), bästa videofilm (Pirzite: Women on Top).

Nomineringar är bra, men det viktigaste är inte utmärkelserna - utan att se till att våra läsare

MONIQUE COVÉT & HELEN DUVAL

How did it come to this? Monique Covét is Monique covet. The only, the name, the name is what? The same person? I think it's **These ladies are Hot toys.**

Monique told all about the stage name when she signed a contract for a Genius Producer - She doesn't want the name! Helen told **the name** from the beginning. The name is here, but do we care? It's all about the sex & hot toys that are perfect? **Wet Pussies of course.** Enjoy!

WORLD EXCLUSIVE

Monique Couët & Helen Duval

Sind Mädchen aber wer ist wer? Helen Duval ist Helen Duval.
Monique Couët ist Monique Couët die selbe Person? Ich
 glaube nicht. Diese Damen sind keine Spitzbuben. Monique wurde von
 Klotzlerinnen ammau an, als sie einen Vertrag mit einem deutschen
 Produzenten unterschrieben. **Da steht alles falsch nicht!**
 Helen hatte ihren Namen von Beginn an. Dies ist ihr Name. Aber macht uns
 das etwas aus? Oder würden wir 2 hübsche Mädchen mit feuchten Wäsen
 sehen? **Furcht unser Antlitz!**

Und Vergnügt

Monique Covet & Helen Duval

Deux filles, un seul nom. Mais qui est l'une, qui est l'autre? Helen Duval est Helen Duval. **Monique Covet est Monique Covet**, la même personne? Je pense que non. Ces jeunes femmes, ce sont PS, des jolis. Monique a eu pendant ce nom de scène lorsqu'elle a signé son contrat avec un Producteur. Elle ne veut pas de Helen à ce nom depuis le début. La question est: Helen, qui est elle? De deux amuses-muses une 2 filles choisies avec des chaises bien humides? **DES CHAISES HUMIDES** évidemment. Amusez-vous bien!
